

# Projets d'immobilisation scolaire 2019-2023

DIVISION SCOLAIRE	TITRE DU PROJET	ANNÉE DE LANCEMENT	ÉTAT D'AVANCEMENT
Beautiful Plains	Neepawa Area Collegiate Institute – air handling unit replacement	2021	Achevé
Beautiful Plains	Vocational High School – new Grade 9 to Grade 12 School	2024	MSP/Pas commencé
Border Land	Roseau Valley School – mechanical steam heating system replacement	2022	En conception
Brandon	Riverview School – hygiene room	2021	Achevé
Brandon	J.R. Reid School – hygiene room	2021	En cours
Brandon	Earl Oxford School – boiler replacement	2021	Achevé
Brandon	Waverly Park School – heat exchanger replacement	2022	Achevé
Brandon	Green Acres School – hygiene room	2022	En cours
Brandon	Maryland Park School – four modular classroom unit	2022	Achevé
Brandon	J.R. Reid School – steam heating system replacement	2022	En appel d'offres
Brandon	Brandon South-West – new kindergarten to Grade 8 school	2024	MSP/Pas commencé
Brandon	Maryland Park School – major classroom addition	2023	En conception
Division Scolaire Franco-Manitobaine	École Roméo-Dallaire – roof replacement	2020	Achevé
Division Scolaire Franco-Manitobaine	Collège Louis-Riel – steam heating system replacement	2020	Achevé
Division Scolaire Franco-Manitobaine	Collège Louis-Riel – culinary arts addition	2020	En conception
Division Scolaire Franco-Manitobaine	École Lagimodière – crawlspace remediation	2020	Achevé
Division Scolaire Franco-Manitobaine	École Saint-Joachim – modular classroom unit	2020	Achevé

Garden Valley	J.R. Walkof Elementary – mechanical systems replacement	2022	7 Uagde
Hanover	Landmark Collegiate – science lab renovation	2021	Achévé
Hanover	Stonybrook Middle School – science lab renovations	2021	7 Uagde
Hanover	Steinbach Regional Secondary School – science lab renovations	2021	Achévé
Hanover	Niverville Elementary School – roof replacement	2021	7 Ua`UMja`
Hanover	Steinbach – new kindergarten to Grade 4 school and child-care centre	2021	&OBMEPGGSFT
Hanover	Green Valley School – gym addition and renovations	2021	7 Ua`UMja`
Hanover	Mitchell Middle School – four-classroom addition	2021	7 Uagde
Hanover	Niverville Middle School – wall cladding replacement	2022	Achévé
Interlake	École R.W. Bobby Bend School – roof and exterior wall replacement	2019	Achévé
Interlake	Teulon Elementary School – structural replacement	2021	Achévé
Interlake	Stony Mountain Elementary School – boiler replacement	2021	&ODPVST
Interlake	Stonewall Centennial School – hygiene room	2022	&ODPVST
Interlake	Stonewall Collegiate – boiler and piping replacements	2022	&ODPVST
Kelsey	École Scott Bateman Middle School – lifts and hygiene room upgrades	2021	Achévé
Kelsey	École Scott Bateman Middle School – roof replacement	2021	&ODPVST
Lakeshore	Eriksdale School – roofing replacement	2020	Achévé
Lakeshore	Fisher Branch Early Years School – boiler replacement	2021	Achévé
Lord Selkirk	Selkirk Junior High School – boiler replacement	2020	Achévé
Lord Selkirk	East Selkirk Middle School – sewage holding pond breach	2021	Achévé
Lord Selkirk	Happy Thoughts School – hygiene room	2021	Achévé
Lord Selkirk	Mapleton School – septic field overflow	2022	En pré-conception

Louis Riel	Glenwood School – steam system replacement	2019	<b>Achevé</b>
Louis Riel	Collège Jeanne-Sauvé – heating and cooling system replacements	2019	<b>Achevé</b>
Louis Riel	Victor H.L. Wyatt School – hygiene room renovation	2019	<b>Achevé</b>
Louis Riel	Victor Mager School – roof replacement	2019	<b>En conception</b>
Louis Riel	J. H. Bruns Collegiate – roof replacement	2020	<b>Achevé</b>
Louis Riel	General Vanier School – hygiene room	2020	<b>Achevé</b>
Louis Riel	Collège Jeanne-Sauvé – addition and renovations	2020	<b>En cours</b>
Louis Riel	Marion School – structural replacement	2020	<b>En cours</b>
Louis Riel	St. George School – roof replacement	2021	<b>En cours</b>
Louis Riel	Collège Jeanne-Sauvé – two science lab upgrades	2021	<b>En cours</b>
Louis Riel	Nelson McIntyre Collegiate – two science lab upgrades	2021	<b>Achevé</b>
Louis Riel	J.H. Bruns Collegiate – science lab upgrades	2021	<b>En conception</b>
Louis Riel	Windsor Park Collegiate – two science lab upgrades	2021	<b>En conception</b>
Louis Riel	Louis Riel Arts & Technology Centre – roof replacement	2021	<b>En cours</b>
Louis Riel	Nelson McIntyre – hygiene room	2021	<b>Achevé</b>
Louis Riel	Frontenac School – hygiene room	2021	<b>Achevé</b>
Louis Riel	Dr. D.W. Penner School – hygiene room	2021	<b>Achevé</b>
Louis Riel	Windsor School – boiler replacement	2021	<b>Achevé</b>
Louis Riel	J.H. Bruns School – foundation structural upgrade	2022	<b>En cours</b>
Louis Riel	École Marie-Anne Gaboury – mechanical systems replacement	2022	<b>En conception</b>
Louis Riel	Shamrock School – roof replacement	2022	<b>En cours</b>
Louis Riel	J.H. Bruns School – structural roof upgrade	2022	<b>En appel d'offre</b>
Louis Riel	Lavallee School – hygiene room	2022	<b>En cours</b>

Louis Riel	Glenwood School – elevator, hygiene room and roof replacements	2022	<b>En conception</b>
Louis Riel	École Sage Creek / Bonavista kindergarten to Grade 8 school – 74 child-care spaces	2022	<b>En conception</b>
Louis Riel	Marion School – major addition	2022	<b>En conception</b>
Manitoba Institute of Trades and Technology	Henlow Campus – roof and mechanical replacements	2021	<b>Achévé</b>
Mountain View	Goose Lake High School – boiler replacement	2020	<b>Achévé</b>
Mountain View	Goose Lake High School – HVAC control upgrade	2021	<b>Achévé</b>
Mountain View	Henderson Elementary School - roof replacement	2021	<b>En conception</b>
Mountain View	Mackenzie Middle School - gym lift	2021	<b>En cours</b>
Mountain View	Henderson Elementary School – hygiene room	2021	<b>Achévé</b>
Mountain View	École Macneill School – elevator addition	2021	<b>En cours</b>
Mountain View	Dauphin Regional Comprehensive Secondary School – boiler replacement	2022	<b>En cours</b>
Mountain View	Dauphin Regional Comprehensive Secondary School – air handling unit replacement	2022	<b>En cours</b>
Mountain View	Goose Lake High School – elevator and hygiene room	2022	<b>En cours</b>
Mystery Lake	Wapanohk Community School – modular classroom unit	2019	<b>Achévé</b>
Mystery Lake	Burntwood Elementary School – roof replacement	2019	<b>En conception</b>
Mystery Lake	R.D. Parker Collegiate – band room addition	2020	<b>En cours</b>
Park West	Birtle Collegiate – heating system replacement	2020	<b>En cours</b>
Park West	Miniota School – modular classroom unit	2021	<b>En cours</b>
Park West	Major Pratt School – roof top unit replacement	2022	<b>Achévé</b>
Pembina Trails	Ralph Maybank School – steam system and unit ventilator replacements	2019	<b>Achévé</b>
Pembina Trails	Bison Run School (Waverley West) – new kindergarten to Grade 8 school	2019	<b>Achévé</b>

Pembina Trails	École Charleswood School – hot water boiler replacement	2020	<b>Achevé</b>
Pembina Trails	Beaverlodge School – hot water boiler replacement	2020	<b>Achevé</b>
Pembina Trails	Vincent Massey Collegiate – lift project	2020	<b>Achevé</b>
Pembina Trails	École Charleswood School – roofing replacement	2020	<b>Achevé</b>
Pembina Trails	École South Pointe School – modular classroom unit	2020	<b>Achevé</b>
Pembina Trails	École Charleswood School – roof structural upgrade and crawlspace	2021	<b>En cours</b>
Pembina Trails	Whyte Ridge School – modular classroom unit	2021	<b>Achevé</b>
Pembina Trails	École South Pointe School – modular classroom unit	2021	<b>Achevé</b>
Pembina Trails	École Crane School – roof joist structural upgrade	2021	<b>Achevé</b>
Pembina Trails	Oakenwald School – roof joist structural upgrade	2021	<b>Achevé</b>
Pembina Trails	Beaverlodge School – library lift	2021	<b>Achevé</b>
Pembina Trails	École St-Avila – elevator addition	2021	<b>En cours</b>
Pembina Trails	Bonnycastle School – elevator addition	2021	<b>En cours</b>
Pembina Trails	Pembina Trails Collegiate (Waverley West) – new Grade 9 to Grade 12 High School	2021	<b>En cours</b>
Pembina Trails	Bonnycastle School – boiler and cooling unit replacement	2022	<b>En conception</b>
Pembina Trails	Oakenwald School – envelope and roofing replacement	2022	<b>En conception</b>
Pembina Trails	Prairie Pointe – new kindergarten to Grade 8 school	2024	<b>MSP/Pas commencé</b>
Pembina Trails	Bridgwater Lakes – new kindergarten to Grade 8 school	2024	<b>MSP/Pas commencé</b>
Pine Creek	MacGregor Elementary School – roof replacement, structural and accessibility upgrades	2019	<b>Achevé</b>
Pine Creek	MacGregor Elementary School – modular classroom unit	2021	<b>Achevé</b>
Pine Creek	Gladstone Elementary School – boiler system replacement	2021	<b>Achevé</b>

Pine Creek	Plumas Elementary School – modular classroom unit	2022	<b>En cours</b>
Portage la Prairie	École Arthur Meighen School – renovation of existing decommissioned vocational area	2020	<b>Achevé</b>
Portage la Prairie	Portage Collegiate Institute – Phase 1 elevator addition	2021	<b>En cours</b>
Portage la Prairie	Portage Collegiate Institute – Phase 2 structural replacement	2021	<b>En conception</b>
Portage la Prairie	La Verendrye School – roof replacement	2021	<b>Achevé</b>
Prairie Rose	St. François Xavier Community School – hygiene room	2020	<b>Achevé</b>
Prairie Rose	Elm Creek School – modular classroom unit	2020	<b>Achevé</b>
Prairie Rose	Roland School – hygiene room	2020	<b>Achevé</b>
Prairie Rose	St. Paul's Collegiate – exterior wall, roof and mechanical replacements	2021	<b>Achevé</b>
Prairie Rose	École Carman Elementary School – roof replacement	2021	<b>En cours</b>
Prairie Rose	Miami School – hygiene room	2021	<b>Achevé</b>
Prairie Rose	Miami School – modular classroom unit	2021	<b>Achevé</b>
Prairie Rose	St. Laurent School – boiler replacement	2022	<b>En conception</b>
Prairie Rose	St. François Xavier – air handling units replacement	2022	<b>En conception</b>
Prairie Rose	Carman Collegiate – roof and structural replacements	2022	<b>En conception</b>
Prairie Spirit	Cartwright School – modular classroom unit	2021	<b>Achevé</b>
Prairie Spirit	Thomas Greenway Middle School – boiler replacement	2021	<b>En cours</b>
Prairie Spirit	Cartwright School and Baldur School – science room renewal	2021	<b>En cours</b>
Prairie Spirit	Prairie Mountain Elementary – hygiene room	2022	<b>En cours</b>
Red River Valley	Rosenort School – hygiene room renovation	2019	<b>Achevé</b>
Red River Valley	École Saint-Malo School – modular classroom unit	2020	<b>Achevé</b>
Red River Valley	École St. Malo School – classroom addition	2020	<b>En cours</b>

Red River Valley	Rosenort School – roof replacement	2021	<b>Achevé</b>
Red River Valley	Starbuck School – hygiene room	2022	<b>En cours</b>
Red River Valley	École Héritage Immersion – modular classroom unit	2022	<b>En cours</b>
Red River Valley	Sanford Collegiate – hygiene room renovation	2022	<b>En cours</b>
River East Transcona	Sherwood School – hygiene room renovation	2019	<b>Achevé</b>
River East Transcona	Springfield Heights School – roof replacement	2019	<b>En conception</b>
River East Transcona	Springfield Heights School – Rooftop unit replacement	2019	<b>Achevé</b>
River East Transcona	Kildonan-East Collegiate – elevator	2020	<b>Achevé</b>
River East Transcona	Westview School – wing roof, exterior wall and crawlspace renewals	2020	<b>Achevé</b>
River East Transcona	Bernie Wolfe Community School – two storey exterior wall and roof replacement	2020	<b>Achevé</b>
River East Transcona	Chief Peguis Junior High – roof replacement	2020	<b>Achevé</b>
River East Transcona	Bernie Wolfe Community School – renovation of open area classroom phase 2	2020	<b>Achevé</b>
River East Transcona	Donwood School – roof, exterior walls, mechanical systems renewal	2020	<b>En cours</b>
River East Transcona	Maple Leaf School – hygiene room	2021	<b>Achevé</b>
River East Transcona	Neil Campbell School – elevator addition	2021	<b>Achevé</b>
River East Transcona	École Regent Park – gym addition and renovation	2021	<b>En cours</b>
River East Transcona	Kildonan East Collegiate – steam boiler, piping and air handler replacement	2022	<b>En cours</b>
River East Transcona	Collège Pierre-Elliott-Trudeau – hygiene room	2022	<b>Achevé</b>
River East Transcona	Angus McKay School – hygiene room	2022	<b>Achevé</b>
River East Transcona	Devonshire Park – new kindergarten to Grade 8 school	2024	<b>MSP/Pas commencé</b>
Rolling River	Erickson Collegiate – roof replacement	2019	<b>Achevé</b>
Rolling River	Rivers Elementary School – glycol heating conversion	2021	<b>Achevé</b>

Rolling River	Forrest Elementary School – hygiene room	2021	<b>Achevé</b>
Rolling River	Minnedosa Collegiate – structural replacement	2021	<b>En cours</b>
Rolling River	Tanner's Crossing School – heat pump replacement	2021	<b>En cours</b>
Seine River	La Barrière Crossings School – roof replacement	2019	<b>Achevé</b>
Seine River	École Saint-Norbert Immersion – roof replacement	2019	<b>Achevé</b>
Seine River	Ste. Anne Collegiate – modular classroom unit	2019	<b>Achevé</b>
Seine River	École Île-des-Chênes School – roof, structural, wall and mechanical renewal	2020	<b>En cours</b>
Seine River	École Ste. Anne Immersion, Ste. Anne Complex – modular classroom unit	2021	<b>Achevé</b>
Seine River	Collège St. Norbert Collegiate – science room renewal	2021	<b>En cours</b>
Seine River	École Lorette Immersion – elevator addition	2021	<b>Achevé</b>
Seine River	École St. Adolphe School – modular classroom unit	2022	<b>En cours</b>
Seine River	Arborgate School – boiler replacement	2022	<b>En cours</b>
Seine River	Vocational High School – new Grade 9 to Grade 12 School	2024	<b>MSP/Pas commencé</b>
Seven Oaks	Edmund Partridge Community School – roof replacement	2019	<b>Achevé</b>
Seven Oaks	O.V. Jewitt Community School – roof replacement	2019	<b>Achevé</b>
Seven Oaks	West St. Paul School – exterior wall and roof replacement	2020	<b>Achevé</b>
Seven Oaks	Edmund Partridge Community School – roof replacement	2020	<b>Achevé</b>
Seven Oaks	West St. Paul School – modular classroom unit	2021	<b>Achevé</b>
Seven Oaks	École Rivière-Rouge – modular classroom unit	2021	<b>Achevé</b>
Seven Oaks	O.V. Jewitt Community School – boiler replacement	2021	<b>Achevé</b>
Seven Oaks	West Kildonan Collegiate – classroom addition	2021	<b>En cours</b>
Seven Oaks	Collège Garden City Collegiate – elevator addition	2021	<b>Achevé</b>
Seven Oaks	Precinct F – new kindergarten to Grade 8 school	2022	<b>En conception</b>

Seven Oaks	Collicutt School – hygiene room	2022	En cours
Seven Oaks	West St. Paul Meadowlands – new kindergarten to Grade 8 school	2024	MSP/Pas commencé
Seven Oaks	Precinct G Highland Pointe – new kindergarten to Grade 8 school	2024	MSP/Pas commencé
Southwest Horizon	Souris School – science lab upgrade	2021	En conception
Southwest Horizon	Melita School – science lab upgrade	2021	En conception
Southwest Horizon	Wawanesa School – additions and renovations	2021	En cours
St. James-Assiniboia	St. James Collegiate/George Waters – roof replacement	2019	Achévé
St. James-Assiniboia	Hedges Middle School – hygiene room	2019	Achévé
St. James-Assiniboia	John Taylor Collegiate – chiller replacement	2019	Achévé
St. James-Assiniboia	St. James Collegiate – structural upgrade to canopy	2020	En cours
St. James-Assiniboia	Collège Sturgeon Heights – welding shop addition	2020	Achévé
St. James-Assiniboia	Linwood School – child-care renovations and foundation access stairway replacement	2021	En cours
St. James-Assiniboia	Lincoln School – hygiene room	2021	En cours
St. James-Assiniboia	Athlone School – hygiene room	2021	En cours
St. James-Assiniboia	École Assiniboine – roof structural rehabilitation	2022	En conception
St. James-Assiniboia	Sansome School – hygiene room	2022	En cours
St. James-Assiniboia	École Assiniboine – hygiene room	2022	En cours
St. James-Assiniboia	Phoenix School – modular classroom unit	2022	En cours
St. James-Assiniboia	Ness Middle School – elevator, hygiene room and roof replacement	2022	En conception
St. James-Assiniboia	Lincoln Middle School – elevator, ramp and lift	2022	En appel d’offres
St. James-Assiniboia	Phoenix School – new gym addition, new hygiene room and renovations	2022	En conception
Sunrise	Hazelridge School – stair lift main floor to gym	2023	En conception
Sunrise	Oak Bank Elementary – electric duct heaters and roofing replacements	2019	Achévé

Sunrise	Springfield Collegiate – structural replacement	2020	En cours
Sunrise	Springfield Collegiate – two science labs	2021	En conception
Sunrise	Whitemouth School – science lab upgrade, age expired	2021	Achévé
Sunrise	Powerview and Whitemouth schools – science lab upgrade, age expired	2021	Achévé
Sunrise	Oak Bank Elementary – roof replacement	2021	En cours
Sunrise	Edward Schreyer School – structural replacement	2021	En cours
Sunrise	École Dugald – modular classroom unit	2022	En cours
Sunrise	Oak Bank Elementary – modular classroom unit	2022	En cours
Sunrise	Beausejour Early Years – modular classroom unit	2022	En cours
Swan Valley	Swan Valley Regional Secondary School – performing arts renovation	2020	Achévé
Swan Valley	Heyes Elementary School – hygiene room and ramp	2020	En cours
Swan Valley	Swan Valley Regional Secondary School – boiler replacement	2021	En cours
Swan Valley	École Swan River South – boiler system replacement	2022	En cours
Swan Valley	Swan Valley Regional Secondary School – performing arts addition	2022	En cours
Turtle Mountain	Boissevain School – HVAC upgrades	2021	En cours
Western	Maple Leaf Elementary School – modular classroom unit	2019	Achévé
Western	Minnewasta School – modular classroom unit	2019	Achévé
Western	Morden Middle School – modular classroom unit	2020	Achévé
Western	Morden Collegiate – three classroom addition	2020	Achévé
Western	Minnewasta School – modular classroom unit	2021	Achévé
Western	Morden – new K-8 School	2021	En cours
Western	Morden Collegiate – new pipefitters vocational program	2021	Achévé
Western	Maple Leaf Elementary – mechanical systems replacement	2021	En cours

Winnipeg	Elmwood High School – steam heating system replacement - Phase 1	2019	Achevé
Winnipeg	Isaac Brock School – chimney liner replacement and repair	2019	Achevé
Winnipeg	Isaac Brock School – elevator and ramp renovation/addition	2019	Achevé
Winnipeg	Cecil Rhodes No. 2 School – exterior wall replacement	2019	Achevé
Winnipeg	Sisler High School – building envelope, roofing systems, elevator and lifeskills upgrade	2019	Achevé
Winnipeg	St. John's High School – music and band room lifts	2019	Achevé
