

# COVID-19 NOVEL CORONAVIRUS

Manitoba 

## Information for Park Visitors

**Practice social physical distancing in provincial parks, including on trails, in the campground, washrooms and shower buildings, playgrounds, beaches and all greenspaces.**

- Keep two metres away from others and do not gather in groups outside of your immediate family/household. This includes not socializing on neighbouring sites or greenspaces.
- Wash your hands or use an alcohol-based hand sanitizer regularly.
- Practice Leave No Trace. Pack out everything you packed in including trash and waste, and keep pets on a short leash.

No more than 10 people may gather in common areas or greenspaces, including campsites, trails, beaches, washrooms or other facilities.

Please bring your own toilet paper, soap, hand sanitizer and other personal hygiene products. Wear water shoes or sandals while using shower facilities.

Only visit local health centres if it is an emergency.

Leave no trace – pack out what was packed in.

Park Offices may be limited to only one visitor at a time. Please observe signage and queue two metres/six feet away from others outside if required. Visitor centres and museums are being prepared for opening later in the summer.

**Campsite Check-in:** Site reservation holders may proceed directly to their campsite without checking in at the campground office. Visit the park office only if you require additional information.

Public health orders require anyone coming into Manitoba, **including out-of-province visitors**, to self-isolate and self-monitor for symptoms for 14 days, or for the duration of your stay if it is less than 14 days. Additional information can be viewed at [manitoba.ca/covid19/soe](https://manitoba.ca/covid19/soe)

**Additional restrictions or changes may be implemented at any time. All other park regulations still apply as highlighted in the Campers Guide. For more information please visit the park office or go online [manitobaparks.com](https://manitobaparks.com).**
