WINNIPEG-EMERSON HIGHWAY
TO BECOME NO. 75, WILLIS

The Winnipeg-Emerson highway will soon become part of an international route from Winnipeg to Galveston, Texas and will be known as Highway No. 75, announces Hon. Errick F. Willis, Minister of Public Works. Previously described as Highway No. 14, the change in number will become effective as soon as the new highway road signs have been delivered, the Minister states.

The United States highway No. 75 with its new section in Canada will have a total mileage of 1,670 miles. It is the shortest international route running north and south in America, Mr. Willis states.
